

## ***NEW ORDER Update***

**Number 18**

**November 2021 / JdF 132**

*"Never forget that the most sacred right on this earth is a man's right to have earth to till with his own hands, and the most sacred sacrifice the blood a man sheds for this earth."*

*— Mein Kampf, Vol. II, Chapter 14, p. 664 (Manheim)*

### **"Blood and Soil Activism" for the NEW ORDER!**

*We received the following report from Registered Supporter "Farmer John," from deep in the heart of Appalachia:*

The "Matt Koehl Victory Garden" was established to honor Matt Koehl. 2021 / JdF 132 is its first year. The Main produce in the gardens were tomatoes and cucumbers. Next year it will be expanded. The garden was terrifically successful! A total of \$88.00 was raised in the sale of items from the garden. A money order will be sent on November 1 to the Central Office. "Rockwell Salsa" and "Matt Koehl Homemade Dill Pickles" were canned.

National Socialist gardening techniques and principles were implemented in raising the vegetables: proper, orderly spacing of the plants, zero tolerance for parasitic weeds, no pesticides or polluting of the environment, proper affordable pricing without greedy middlemen. And – of course! – none of our products are kosher!

I consider this a "Blood and Soil" activity for the NEW ORDER, plus, it's a positive activity that fits in with our priority message of **survival**. Next year, hopefully, I will obtain a post office box where our people can purchase the canned items. Nature, of course, will determine the success or failure of the garden.

*The following messages concerning the garden appeared on the social media site Gab:*

**July 10:** Blood and soil activism for the NEW ORDER! A week after the victory garden was dedicated there appeared hundreds of four leaf clovers all over the ground. Perhaps, a sign?

**August 4:** The "Matt Koehl Victory Garden" is producing an abundant of tomatoes and cucumbers this harvest. National Socialist gardening methods have been applied. Notice how orderly, weedless, and abundant the plants are. No room for parasite weeds in a National Socialist garden.

**August 5:** Already a customer has bought a 1/2 gallon jar of canned pickles. Gonna send the \$10 to the NEW ORDER. No kosher products here. Commander Koehl once gave me some gardening tips and I am implementing them in the "MATT KOEHL'S VICTORY GARDEN". Thank you, Commander Koehl! Your advice works!

## **P.O. Box Problem Resolved**

As many supporters already know, our traditional post office box in Milwaukee was closed for some six weeks this summer. Anyone writing to the Central Office at this address during this period, or for the time immediately preceding, had their mail returned to them. We are now happy to report that the box has been reopened for business and is fully functional again.

## **Virginia Distributions**

Our Virginia activists have been busy since the last *NEW ORDER UPDATE*. They have reported door-to-door drive-by distributions on three occasions:

- May 1: A total of 505 pieces of literature were distributed in Greene county and Charlottesville.
- June 1: One hundred houses in Wight County received "Love Your Race" leaflets.
- June 25: "White and Proud!" leaflets were distributed in Tappahannock.

All comrades who distribute leaflets, message cards or stickers should report their distributions to the Central Office. We will always protect your identity. Activism begets more activism, which grows the Movement. Report your activism, no matter how minor or incidental, so that we may pass on the news of your good deeds to other comrades!

## **NEW ORDER Supporter Victim of Street Crime**

A NEW ORDER supporter from the Greater Boston area was injured in August when he was assaulted from behind by a Puerto Rican invader in an unprovoked attack. He suffered severe injuries to his head and hands, including violent whiplash. There was no robbery, just a vicious, random attack. So far, our comrade has incurred \$10,000 in medical expenses, most of which, fortunately, will be paid by the Veterans Administration.

The attacker was apprehended at the scene by the police. He revealed the motive for the attack (while being filmed on an officer's body cam): "I hate old White men."

The case is scheduled to go to court in November.
